ADDENDUM NUMBER 1

PROJECT: **REQUEST FOR PROPOSALS FOR 1,2,3- TCP MITIGATION PROJECT, CONSTRUCTION MANAGEMENT AS ADVISOR AND CONSTRUCTION INSPECTION SERVICES**

Addendum Number 1 is being issued for the **REQUEST FOR PROPOSALS FOR 1,2,3- TCP MITIGATION PROJECT, CONSTRUCTION MANAGEMENT AS ADVISOR AND CONSTRUCTION INSPECTION SERVICES**. The following information is to be provided:

- Due to the nature of our project all inquiries must be transparent, and responses made available equally to all respondents. Herein, the City of Atwater’s response to all questions received by January 21st, 2021 for Request for Proposals for 1,2,3-TCP Mitigation Project, Construction management as advisor and construction inspection services

NOTICE TO BIDDERS

1. Submittal of both PDF and hard copies of proposals are currently required. Most engineering firms have minimal staff in the office as a result of the pandemic. While hard copies can be produced, they present an additional logistic. Please consider whether PDF copies will meet the needs of the selection panel. The cost proposal could be in a separate file.
 - a. Due to COVID-19 electronic (email) submittals will be accepted. Should you elect to submit your proposal electronically (email) your electronic proposal must be received by City Clerk Lucy Armstrong at larmstrong@atwater.org by January 28, 2021 at 5:00 P.M and your cost proposal must be in a separate file. It is the bidder’s responsibility to verify the City Clerk received the bid.
1. The RFP indicates that rating consideration will be given to individuals holding CMAA and DBI certifications. Would the City consider adding “or equivalent experience”?
2.
 - a. The City will consider “equivalent experience” in substitute of holding a CMAA and DBI certifications,
