

STREETS MAINTENANCE WORKER I

DEFINITION

Under close supervision, to perform a variety of unskilled physical labor and semi-skilled maintenance, repair, construction, and clean-up of City streets, street trees, sidewalks, curbs and gutters, parking lots, driveway approaches, traffic signals, and street lights; and to do related work as required. Serves as Disaster Service Worker. FLSA Status: Non-exempt. Bargaining Group: Miscellaneous Unit.

DISTINGUISHING CHARACTERISTICS

This is the entry and first working level classification in the Streets Maintenance Worker class series. This level is distinguished from Streets Maintenance Worker II by the performance of a narrower range of less complex assignments and routine maintenance duties under closer supervision. When an incumbent has demonstrated requisite experience, work skills, and sound work habits and meets qualifications, he/she may be promoted to Streets Maintenance Worker II level. Incumbents in this class are subject to twenty-four hour "call out" and standby.
